

Presenter and Disclosures

Andy Bondy, PhD

Andy Bondy is president and co-founder of Pyramid Educational Consultants. In addition to being an innovative leader in the field of autism and applied behavior analysis, he is well-known as the co-developer of the Picture Exchange Communication System® (PECS®). Dr. Bondy has published numerous articles and books throughout his career. He is a co-author of the *PECS Training Manual*. He also wrote the *Pyramid Approach to Education*, a guide on how to build effective learning environments blending applied behavior analysis with functional activities and creative communication strategies. Dr. Bondy has presented numerous papers, lectures and workshops in regional, national and international conferences and conventions on behavior analysis, PECS and the Pyramid Approach to Education. He has remained active in research and writing, and continues to develop new and innovative methods of helping people with autism and related developmental disorders.

Financial Disclosure: Dr. Andy Bondy receives compensation as an employee of Pyramid Group Management Services Corporation.

Non-financial Disclosure: Dr. Andy Bondy has no relevant non-financial relationships to disclose.

Justin Leaf, PhD, BCBA-D

Justin Leaf, Ph.D., is the Chief Clinical Officer for Autism Partnership Foundation, the Executive Director for the Progressive Behavior Analyst Autism Council, the Associate Director for ABA Doctoral Studies at Endicott College, and the Executive Director for Contemporary Behavior Consultants. Justin received his doctorate degree in Behavioral Psychology from the Department of Applied Behavioral Science at the University of Kansas. His research interests include Progressive ABA, improving behavioral intervention, social behavior, and methodologies to improve the lives of autistic/individuals diagnosed with ASD. Justin has over 125 publications in either peer reviewed journals, books, or book chapters and has presented at both national and international professional conferences and invited events. Justin has served on numerous editorial boards for behavior analytic and autism journals.

Financial Disclosure: Dr. Justin Leaf is employed by an agency that provides trainings and has commercial products available related to the field of applied behavior analysis.

Non-financial Disclosure: Dr. Justin Leaf has no relevant non-financial relationships to disclose.
